**Imagine the Possibilities Closes Administrative Locations to
Unscheduled Guests in the Wake of the COVID-19 Outbreak**

Pursuant to federal and state directives, Imagine is closing all administrative locations to unscheduled guests statewide effective March 18, 2020 until further notice. Many of our administrative employees are teleworking during this time, while others continue to work at our administrative locations with strict social distancing guidelines in place. Signs with appropriate guidance for visitors will be posted at each location. Essential administrative services will continue at this time.

This decision comes with a continued commitment to quality services to individuals with disabilities, their families and loved ones, and our communities. We are anxious to resume access as usual and will post updates as possible.
