**Imagine the Possibilities Reinstates Closure of Administrative Locations to  
Unscheduled Guests for Added Protection against COVID-19**

In order to maintain public health and provide added protection against COVID-19 and other seasonal viruses for our clients and employees, Imagine is closing all administrative locations to unscheduled guests statewide from December 21, 2021 to March 1, 2022. Many of our administrative employees are teleworking during this time, while others continue to work at our administrative locations with strict social distancing guidelines in place. Signs with appropriate guidance for visitors will be posted at each location. Essential administrative services will continue at this time.

This decision comes with a continued commitment to quality services to individuals with disabilities, their families and loved ones, and our communities. We are anxious to resume access as usual and will post updates as possible.
